HOLIDAY PACK-03

Issued by: Tangwa Ronald

Date: 07/May/020

Scenario:

Mass media brings communities, people and especially learners near to each other. Information flows to them very fast. Take an example of COVID-19 period of HOME SCHOOLING.

Teachers are busy teaching and learners learning. This is through mass media. The teachers use Radio, Television name it. Many say it's working. However, criticisms can't fail to be there!

TASK:

- a) Explain the merits and demerits of home schooling.
- b) Suggest how best this system can be handled to benefit learners during this STAY HOME, STAY SAFE period.

END

Washing Hands With Soap and Sanitizers Doesn't Kill But COVID-19 KILLS!
