

S.1 ENGLISH AND LITERATURE HOLIDAY WORK

1. Ask your parents/guardians to tell you their cultural/traditional stories. Write one of the stories you enjoyed most.
2. Listen and learn traditional songs of long ago from your friends and prepare to share one with the whole class.
3. Ask parents to tell you your great grandparents, grandparents and other family members. Draw a detailed family tree (be creative; use any material available to make a family tree).
