**S.1 PROJECT WORK**

- Go outside and walk around your yard or your house/home.
- Draw a picture of this place.
- Are there places with stagnant (sitting water), broken and dumped containers, and bush?
- What could you do to make your house safe from mosquitoes?
- Who are you going to work with to ensure your home is made safe from mosquitoes?
- Why do you have to eliminate mosquitoes from around our homes?
- List down types of mosquitoes you know.
